Security Council Committee established pursuant to resolution 1267 (1999) concerning Afghanistan

Note verbale dated 2 October 2001 from the Permanent Mission of Burkina Faso to the United Nations addressed to the Chairman of the Committee

The Permanent Mission of Burkina Faso to the United Nations presents its compliments to the Chairman of the Committee established pursuant to resolution 1333 (2000) concerning Afghanistan and has the honour to inform him that on 9 February 2001 the Government of Burkina Faso took measures to prohibit trade in acetic anhydride, weapons, materiel and military articles of Afghan origin or from Afghanistan.

These measures have been very widely publicized. Since that time, there have been no instances of commercial operations or attempted commercial operations with Afghanistan.

The Permanent Mission of Burkina Faso to the United Nations requests the Chairman of the Committee to arrange for this note to be issued as a document of the Security Council.
